BRITISH JOURNAL OF HOSPITAL MEDICINE

Index 2005 Volume 66

A

Abdelmoneim J. A tasty week in international and public health. *Education and training update* ... 589
Abdominal lump, 'wandering': intussusception up to splenic flexure of an ileocaecal adenocarcinoma. *Case report.* PR Shah et al ... 248
Abdominal radiograph interpretation
1. *Interpretations.* CJ Harvey et al ... M66
2. *Interpretations.* CJ Harvey et al ... M88
Abortion, long-acting user-independent contraceptives post abortion. *Review.* UI Esen ... 523
Abscess, splenic: sting in the tail of Hurricane Charley. *Case report.* DR Ramsdale et al ... 484
Academic medicine: is there a future in the UK? *Editorial.* C Pusey and R Thakker ... 198
Acland K *see* **Thein M et al**
Activated protein C in a pregnant patient with severe sepsis. *Anaesthetic and critical care dilemma.* N Mahabeer and J Zwaal ... 124
Acute coronary syndrome, management of non-thrombo-lysable. *Corres.* S Iyengar et al ... 434
Adamson R, Rambaran C and **D'Cruz DP.** Anabolic steroid-induced rhabdomyolysis. *Case report* ... 362
Age-related macular degeneration. *Symposium on visual loss in the elderly.* AN El-Amir et al ... 677
Aggarwal R and **Saeed SR.** Genetics of hearing loss. *Review* ... 32
Ahluwalia S, Clarke R and **Brennan M.** Transforming learning: challenge of interprofessional education. *Education and training update* ... 236
Air bag safety in road traffic accidents. *Teaching case report.* ME O'Donnell et al ... 590
Airway
bleeding of upper: emergency anaesthetic strategies. *Anaesthetic and critical care dilemma.* D Kamming and A Patel ... 250
paediatric disorders. *Head and neck disorders in children.* PD Bull ... 273
Alcohol
consumption and the outcomes of pregnancy. *Editorial.* R Fraser ... 382
dependence and treatment strategies. *Review.* F Ibrahim and E Gilvarry ... 462
'epidemic': what can be done? *Editorial.* I Gilmore ... 196
prevention of alcohol-related assault and injury. *Review.* B Cusens and J Shepherd ... 346
Aldam CH *see* **Indar R et al**
Al-Jawad M, Chacko SM, Myint PK and **May HM.** What does a raised troponin I level in the elderly tell us? *Corres...* 595
Al-Khateeb H and **Oussedik S.** Management and treatment of cervical spine injuries. *Symposium on orthopaedic injuries* ... 389
Allen S *see* **Harvey C et al; Harvey CJ et al**
Allen SD, Harvey C and **O'Regan D.**
Interpretation of elbow and forearm radiographs. *Interpretations* ... M50
Interpretation of skull and facial radiographs. *Interpretations* ... M30
Amarawickrama H, Harikrishnan A and **Krijgsman B.** Superior mesenteric artery syndrome in a young girl following spinal surgery for scoliosis. *Case report* ... 700
Amyloidosis, primary immunoglobulin light chain: heart failure and panda eyes. *Images in medicine.* SW Dubrey et al ... 701
Anabolic steroid-induced rhabdomyolysis. *Case report.* R Adamson et al ... 362
Anaesthesia
and cardiovascular risk: what is an anaesthetist to think? *Editorial.* N Goodman ... 446
competency training. *Corres.* G Cooper ... 647
emergency strategies for the bleeding upper airway. *Anaesthetic and critical care dilemma.* D Kamming and A Patel ... 250
for the super-morbidly obese: role for specialist centres? *Anaesthetic and critical care dilemma.* J Craig and A Dering ... 60
Anaesthetists
anaesthetic teams: who should transfer children with acute neurosurgical emergencies? *Anaesthetic and critical care dilemma.* P Winton ... 712
should they scrub? The case for and against. *Anaesthetic and critical care dilemma.* S Strachan and P Higgins... 432
so you want to be...an anaesthetist. *Career development.* J Down ... M39
Analgesia, patient-controlled: does one regimen fit all? *Anaesthetic and critical care dilemma.* N Curran ... 492
Anderson F *see* **Ker J et al**
Anderson OGP, Brookes JAS and **Cobb J.** False aneurysm caused by failed fracture fixation. *Case report* ... 422
Andrews PJD. Hot or cold? Warm heart, cool brain. *Symposium on resuscitation controversies* ... 80
Aneurysm, false, caused by failed fracture fixation. *Case report.* OGP Anderson et al ... 422
Ang R, Wroe S, Manji H and Sharma P. Nicotine replacement therapy and ischaemic stroke. *Case report...* 366
Angiosarcoma: a difficult diagnosis. *Case report.* ME O'Donnell et al ... 428
Animal welfare, human health. *In the public's view.* N Goodman ... 593
Ankylosing spondylitis: cavitating lung disease may have other causes. *Case report.* EM Nour and KJ Taylor ... 174
Antibiotics
prescribing as a risk factor for MRSA. *Drug focus.* MH Wilcox ... 180
timing of administration for community-acquired pneumonia. *RSM young fellows' audit project prize.* A Bastawrous and P Whitaker ... M93
Anticoagulation with bivalirudin: role in current percutaneous coronary intervention practice. *Drug focus.* N West ... 687
Aorto-caval fistula. *Images in medicine.* T Geoghegan et al ... 425
Appendicitis, right iliac fossa pain. *Surgical emergencies.* I Singh and REC Collins ... M76
Arrhythmias, non-pharmacological treatment. *Review.* PM Kistler and RJ Schilling ... 692
Arteriovenous fistula: how to perform. *Practical procedures.* NS Hakim ... M94
Arthritis, psoriatic: understanding. *Review.* WJ Taylor ... 163
Arya M *see* **Johal N et al; Sellaturay S et al**
Arya N *see* **Cherian J et al; Rao AR et al**
Assault, prevention of alcohol-related. *Review.* B Cusens and J Shepherd ... 346
Assessment for improvement
Healthcare Commission consults on new approach. *Editorial.* I Singh ... 70
view from the coal face. *Editorial.* L Patterson ... 260
Assisted reproductive technology: 25 years of progress. *Drug focus.* R Forman ... 356
Assomull R and **Elliott PM.** Treatment for heart failure: good news and bad. *Review* ... 102
Audit
clinical. *Professional development.* C Johnson ... M82
colorectal cancer imaging delays. *RSM young fellows' audit project prize.* D Burling et al ... M58
mammography in symptomatic women attending a rapid diagnosis breast clinic. *RSM young fellows' audit project prize.* B Lieske et al ... M69
suicide. *Review.* K Saunders and K Hawton ... 627
timing of antibiotic administration for community-acquired pneumonia. *RSM young fellows' audit project prize.* A Bastawrous and P Whitaker ... M93
Autonomic dysreflexia: the forgotten medical emergency. *Review.* J Cherian et al ... 294
Awasthi AK and **Cramp ME.** Hepatic hydrothorax. *Case report* ... 540
Aziz O, Panwalker P and **Hanna G.** Boerhaave's syndrome secondary to epigastric hernia. *Case report* ... 172
Aziz S *see* **Ramsdale DR et al**

B

Bache X and **Bolton J.** Depression: diagnosis and management in terminal illness. *Review* ... 349
Badenoch J. The expert witness and the lawyers. *Editorial...* 610
Bahra A. Headache. *Medical emergencies* ... M45
Banfield A, Green S and **Ramage JK.** Neuroendocrine tumour management: a team approach. *Review* ... 37
Banisadr S, Taghizadeh A and **Duffy P.** Renal failure in an infant. *Images in medicine* ... 115
Bannon M *see* **Limbert C et al**
Barber PA *see* **McNaughton H et al**
Barbosa ER Jr *see* **Modesto dos Santos V et al**
Barker H and **Curran N.** Should 22G spinal needles for accessing the subarachnoid space be banned? *Anaesthetic and critical care dilemma* ... 600
Basal cell carcinoma: management of non-melanoma skin cancer. *Review.* FA Campbell and G Gupta ... 288
Bastawrous A and **Whitaker P.** Timing of antibiotic administration for community-acquired pneumonia. *RSM young fellows' audit project prize* ... M93
Bates GJ. The pharyngeal pouch: clinical aspects and management. *Symposium on otorhinolaryngology* ... 511
Beavan JR, Briggs S, Corrado OJ and **Turnbull CJ.** What do specialist registrars know about clinical governance? *Education and training update* ... 411
Beeching N see **Ramsdale DR et al**
Beer JMA de and **Homewood J.** How to intubate. *Practical procedures* ... M14
Beer JMA de *see also* **Homewood J** and –
Begum R *see* **Sorinola O and –**
Benitez FL *see* **Wigginton JG et al**
Bennett M *see* **Naik P et al**
Benzodiazepines: role of flumazenil in self harm – to give or not to give? *Anaesthetic and critical care dilemma.* S Tote and L Mulleague ... 308
Beta-blockade, perioperative: does it improve outcome? *Symposium on anaesthesia.* P Foëx ... 458
Bettany GEA *see* **Tiwari A et al**
Betteridge J. Total risk factor management in patients with type 2 diabetes. *Review* ... 529
Bhangoo R *see* **St George EJ et al**
Bharucha H, Coles C, Foria V, Gallagher PJ and **Mountford B.** The intensive training and assessment programme in histopathology. *Symposium on education and training* ... 566
Biggs MJP *see* **Lieske B et al**
Bigham S and **Cock HR.** Delirium. *Medical emergencies...* M96
Bird flu: divine intervention? *In the public's view.* N Goodman ... 645
Bisphosphonates: use in metastatic bone disease. *Drug focus.* RA Hubner and SJ Houston ... 414
Bite wounds of genitalia: clinical presentation and management. *Case report.* G Nabi and SH Mishriki ... 112
Bivalirudin: role in current percutaneous coronary intervention practice. *Drug focus.* N West ... 687
Bladder extrophy. *Images in medicine.* S Sellaturay et al ... 177
Blake SP see **Shine NP et al**
Blood, uncross-matched
is unnecessary. *Symposium on resuscitation controversies.* MJG Thomas ... 96
red blood cells save lives. *Symposium on resuscitation controversies.* JR Hess ... 95
Boerhaave's syndrome secondary to epigastric hernia. *Case report.* O Aziz et al ... 172
Bolton J *see* **Bache X** and –
Bone disease, metastatic: bisphosphonates' use in. *Drug focus.* RA Hubner and SJ Houston ... 414
Bone mineral density: osteoporosis and hypogonadism in men. *Review.* A Jamieson and DG Ingham ... 401
Boo NY *see* **Wong CY et al**
Boulton J *see* **Willoughby M et al**
Boursicot K *see* **Roberts TE** and –
Bowie P *see* **McGregor JR et al**
Brain injury
acute: hot or cold? Warm heart, cool brain. *Symposium on resuscitation controversies.* PJD Andrews ... 80
traumatic: choosing appropriate measures in inpatient rehabilitation. *Symposium on rehabilitation.* A Sinnott and S Dean ... 205
